Request

Special Use Permit #2019-0073 is an administrative request to change the ownership of an automobile service station from Dennis Kane to Hamood Abutaa. The business will operate as Old Town Liberty. The applicant proposes no other changes to the service station. The number of employees and hours of operation will remain the same and the projected number of patrons served and parking space availability also remains unchanged.

Background

On October 22, 1958, City Council granted Special Use Permit #139 to American Oil Company for the operation of a gasoline service station at 725 North Washington Street. On September 24, 1988, City Council granted Special Use Permit #2141 to Amoco Oil Company for expansion and alteration of the gas station. Staff administratively approved SUP#2004-0019 for a change of ownership at 725 N Washington Street on July 1, 2004. The property is in the Old and Historic Alexandria District.

Community Outreach

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Old Town North Community Partnership, North Old Town Independent Citizens Association, and West Old Town Citizens Association have been notified. Staff has not received any comments from residents or adjacent businesses during the noticing period.

Staff Action

Staff supports the Special-Use Permit change of ownership request for the continuation of an automobile service station at 725 N Washington Street. The location of the station on a busy arterial provides a valuable service to residents, area employees, and individuals passing through the City.

Several conditions have been carried forward from SUP#2004-0019 and current standard conditions 16 and 17 have been added. Condition 3 was amended to reflect that the past business operator complied with the submission of a landscape plan and Conditions 4 and 13 have been deleted as they have been previously satisfied.

Staff hereby approves the Special Use Permit request.
